

# RV Roadtrip to Palm Springs

March 25 – 29, 2012

Yahoo! Climb aboard our luxurious motor home and get ready for a beautiful drive to Palm Springs!

For anyone who joined us last time, you will remember what a great time we had while driving down the road. We will be staying in RV campsites, cooking some great food, listening to great music and sharing a wonderful feeling of camaraderie around the evening campfire.

*Welcome to the city of warm California sunshine!*

Palm Springs is known for its mountains, canyons and oases. For the adventurous, we might take a guided jeep tour with expert guides on an exciting desert excursion. We can also journey into the heart of the lush oasis of the ancient Indian Canyons, the ancestral home of the Agua Caliente Band of Cahuilla Indians.

For those of you who like to shop, many boutiques and souvenir shops line the streets of Palm Springs. There is even a huge outlet mall nearby.

Whether you've come to Palm Springs to relax and be pampered, or to explore the exciting desert and mountain terrain, this tour has it all. Come spread your wings in sunny Palm Springs!
